

# COVID-19 vaccine news for Oregon Health Plan members

## Questions and answers

### Is the vaccine safe?

Yes. You can learn about the vaccine's safety in this video: <http://blog.pacificsource.com/2020/12/10/what-to-know-about-the-covid-19-vaccine/>

### Why is it important for me to get vaccinated?

You can protect yourself and your community by getting vaccinated.

Each vaccination brings us closer to reaching **community immunity** and the end of the pandemic.

### How much does the vaccine cost?

You won't have to pay anything.

### When can I get vaccinated?

The vaccine is being rolled out in phases. To learn more, and to sign up to be notified when it's your turn, visit <https://getvaccinated.oregon.gov/>.

You can also call **211** or **866-698-6155** for help.

### Where will I get my vaccine?

Many large drug stores will be giving shots, as well as some hospitals. The state of Oregon is also hosting clinics.

Check with your local health department about getting an appointment (see next page). You can also ask your doctor's office.

### Need a ride?

Members can get rides to and from Medicaid-covered services, including COVID-19 vaccinations. To learn more, see the [NEMT Riders Guide](#) at our website.
