

PacificSource Health Plans and PacificSource Community Health Plans (PacificSource, collectively) make every effort to maintain contracts with highly qualified practitioners by using strict recredentialing standards. In order to maintain status as a participating provider, each practitioner must successfully complete the recredentialing process at a minimum every 36 months.

Recredentialing Criteria:

Practitioners are required to submit an Oregon Practitioner Recredentialing Application, or an application approved by PacificSource, if practicing outside of the state of Oregon. If the application is incomplete, or required attachments are not included, the credentialing staff will send the application back to the provider with an explanation stating what was omitted from the original submission, and informing the practitioner that the recredentialing process will not begin until all information is received.

Applications for recredentialing must include the following:

- A. A dated, signed attestation page from the applicant as to the following:
 - Reasons for any inability to perform the essential functions of the position, with or without accommodation.
 - Lack of present illegal drug use.
 - History of loss of license and felony convictions.
 - History of loss or limitation of privileges or disciplinary actions.
 - Current professional liability insurance coverage.
 - Correctness and completeness of the application. ***(This attestation must be signed and dated no more than 180 days prior to the credentialing decision date.)***

- E. A valid DEA or CDS certificate in each state the practitioner will be rendering services to PacificSource members, if applicable. ***(The DEA certificate must be effective at the time of the credentialing decision.)***
- F. Relevant work history. Full disclosure of work history to include at least the past three years, with an explanation for any gap greater than two months.

- G. Board certification. MDs, DOs and DPMs must be board certified in their respective specialty through a board recognized by the American Board of Medical Specialties, American Osteopathic Association, American Board of Podiatric Surgery, American Board of Podiatric Orthopedics and Primary Podiatric Medicine or Royal College of Physicians and Surgeons, Canada, when maintaining certification in the maintenance of certification program. Board certification is verified at recredentialing to ensure it is current at the time of the recredentialing decision.
- H. Current professional liability insurance coverage with minimum coverage amounts of \$1,000,000 per occurrence and \$3,000,000 aggregate.
- I. Minimum of the past five years of history of professional liability claims that have been filed, those that have settled or judgments paid by or on behalf of the practitioner, with explanation from the practitioner.

- Q. A review has been done for Medicare/Medicaid sanctions (if applicable) and is included in the practitioner file. (**Note:** PacificSource will not execute Medicare/Medicaid contracts with providers that have been sanctioned by Medicare/Medicaid, nor will it execute Medicare contracts with providers that are not eligible to participate in Medicare).

- R. Credentialing staff will review Medicare opt out list at the time of credentialing and recredentialing to ensure practitioners on the list are not applying for participation in Medicare plans.
- S. The following areas are taken into consideration as part of the recredentialing process.
1. Member complaints
 2. Information from quality of care concerns
 3. Information from grievance and appeals

Written notification to the practitioner will occur within 14 days of discovery of conflicting information and will include a clear explanation of the conflicting information received. The practitioner must provide a complete and written explanation and documentation to support their response to the Credentialing staff and/or Chief Medical Officer within 30 days. Upon receipt of corrected information, credentialing staff will date stamp and initial the corrected documents. Practitioners will be promptly notified via email, telephone, fax or mail, that their explanation and/or supporting documents have been received.

Credentialing staff will respond to these requests via email, telephone, fax or mail.
4. Practitioners will receive notification of these rights at the time of initial credentialing included in the application packet, upon request for a new contract or a request for a credentialing application for a practitioner wishing to be added to an existing group contract.
5. PacificSource will take steps to protect the confidentiality of information obtained and generated during the credentialing process.
